

Clubs and Activities After School

After School Club (ASC)

We run an after school care facility on the school site from 3pm till 5.30pm. During this session children are supervised doing activities and free play both inside and outside. Children are given a toast or sandwich tea time snack and drink at about 4.15pm. This is a paid for care club. It is a popular and busy club. Please talk to the School Business Manager or Headteacher as soon as you think you may want to book places at this after school club.

Activity Clubs

Each term a variety of different clubs take place, some for specific ages of children and some open to all ages. Apart from the Football club which is run by Club Energy sports coaches and which parents need to pay for, nearly all other clubs are run for free by teachers who give up their time voluntarily. There will usually be 3 or 4 different clubs running each term, each one starting at 3pm and finishing at 4pm.

Some of the recent clubs include:

- Computer club
- Art club
- Gardening club
- Greek club
- Maths club
- Spanish club
- Board Games club
- Science club

The first newsletter of each term gives detailed information on which clubs are running and when, so do look out for further information there.
