

## **Emergency Closure**

In the event that the school has to close due to unforeseen circumstances such as snow, fire or flood, parents will be alerted and kept informed by any or all of the following methods:

- Information on local radio stations - Radio Oxford (95.2), Jack FM (106), Heart FM (102.6 or 97.4)
- Information on Oxfordshire County Council's website under School Closures
- Emergency closure updates on our school website
- Notices on the school railings
- Telephone call from school if practical

Please note that we do all that we can to remain open and have rarely closed due to snowy weather or flood. Please assume that we will be open unless announced on the radio or County Council website.
