## **Attendance Policy**

### **INTRODUCTION**

School attendance is subject to various Education laws and this school attendance policy is written to reflect these laws and the guidance by the Department for Education (DfE).

There is a clear link between pupils' achievement and their level of attendance at school.

The governors and staff, alongside the LA, firmly believe that all pupils benefit from regular attendance. We want all pupils to achieve the very best they can and for this they need to be in school regularly. To this end we will do all we can to encourage parents/carers to ensure that the children in their care achieve maximum possible attendance and that any problems that prevent full attendance are identified and acted on promptly.

The School will provide a Certification of Registration for the school academic year with each child's annual report.

Each year the school will examine its attendance figures and set attendance/absence targets. These will reflect both national and Oxfordshire attendance targets.

The school will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

### **EXPECTATIONS**

Central to rising standards in education and ensuring all pupils can fulfil their potential is an assumption so widely understood that it is insufficiently stated – pupils need to attend school regularly to benefit from their education. Missing out on lessons leaves children vulnerable to falling behind. Children with poor attendance tend to achieve less in both primary and secondary school. *DfE Advice on school attendance (updated November 2016)*

**The Government expects schools and local authorities to:**

- ❖ Promote good attendance and reduce absence, including persistent lateness.
- ❖ Ensure every pupil has access to full-time education to which they are entitled.
- ❖ Act early to address patterns of absence.

- ❖ Support parents in performing their legal duty to ensure their children of compulsory school age who are registered at school attend regularly.
- ❖ Encourage all members of the school community to be punctual.
- ❖ Meet at least 380 sessions or 190 days during any school year to educate their pupils.

**The School expects pupils to:**

- ❖ Attend school regularly.
- ❖ Arrive on time and appropriately prepared for the day.

**The School expects parents and carers to:**

- ❖ Ensure their children attend school regularly on and on time.
- ❖ Ensure they contact school on the first day of absence whenever their child is unable to attend school.
- ❖ Ensure their children arrive in school well prepared for the school day and to check that they complete their homework.
- ❖ Contact the school in confidence whenever any problem occurs that may keep their child away from school.

**The School will ensure:**

- ❖ Regular, efficient and accurate recording of attendance.
- ❖ Early contact with parents when a pupil fails to attend without providing good reason.
- ❖ Action is taken on any problem notified to us, within our control.
- ❖ All staff members contribute to improving and maintaining attendance and to take ownership of attendance as a whole school responsibility in a positive manner.
- ❖ Regular monitoring of attendance.
- ❖ A referral of specific issues to supporting agencies where appropriate.
- ❖ Every appropriate opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance including e.g. newsletters and end of term reports.

## **SCHOOL PROCEDURES**

1. Any child who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorised, unauthorised or as an approved educational activity (attendance out of school). The registration codes are available on [www.gov.uk](http://www.gov.uk) as approved by the Government.
2. Only the Headteacher or a member of staff acting on their behalf of the Headteacher can authorise absence. If there is no known reason for the absence at registration, then the absence must be recorded in the first instance as unauthorised.
3. In cases, for example, where the absence at registration was for attending an early morning medical appointment, the appropriate absence code will be entered.
4. When making medical/dental appointments, every effort must be made to ensure appointments are outside school hours but we acknowledge that this is not always

possible. Please notify the school if these appointments must be made in school hours. In some circumstances, the school may require an appointment card or other written confirmation.

5. The school actively encourages punctuality and is alert to patterns of late arrivals.
6. Parents will be informed if punctuality is a concern and reminded of their parental responsibility and the potential damage caused by lateness.

## **ABSENCE FROM SCHOOL PROCEDURE**

### **First Day Absence**

1. Parents/carers must contact the school on the first day of any absence by 9:15am either by telephone, by email or in person, explaining the reason for absence and the likely day of return.
2. If there has been no contact by the parent/carer by 9:30am, the school will telephone the first named contact on the child's registration form. Failed attempts to speak to a parent/carer will be recorded. Other named contacts will be telephoned if the first named contact is unavailable.

### **Continued Absence**

Parents/Carers should keep the school informed daily/regularly about continued absence and talk to the school about anticipated return to school date. In some cases the school may ask the parent to provide confirmation of illness from a medical practitioner.

### **Pupils Missing**

If any pupil is absent without an explanation after 10 consecutive school days and the school are unable to contact the family, the family must be referred to the Pupils Missing Out or the police who may conduct a home visit.

### **Absence Notes**

Absence notes received from parents explaining absence should be kept for the remainder of the academic year. If there are attendance concerns about the pupil that may require further investigation, then notes may need to be retained for a longer period.

### **Frequent Absence**

It is the responsibility of all staff to be aware of and bring attention to, any emerging attendance concerns.

In cases where a pupil begins to develop a pattern of absences, the school will try to resolve any concerns with parent/s. The School may liaise with the County Attendance Team to ensure necessary action is taken when incidents of poor attendance and/or punctuality are identified.

Where incidents of poor attendance and/or lateness are identified through monitoring parents/carers will be notified in writing that this is a cause for concern. If this continues, the school will invite parents/carers in to discuss causes and ways forward.

## **PENALTY NOTICES AND LEGAL ACTION**

### **The Law**

The Education Act 1996 Part 1, Section 7 states:

*“The parent of every child of compulsory school age shall cause him to receive efficient full-time education suitable”-*

- 1. To his age, ability and aptitude and*
- 2. To any special needs he may have.*

*Either by regular attendance at school or by education otherwise”*

For educational purposes the term parent is used to include those that have parental responsibility and/or those that have the day to day care of the child.

The legislation that appertains to children who are of compulsory school age and are registered at school is contained within this Act.

Part V1 Section 444 contains the details of when an offence is committed if a child fails to attend school. <http://www.legislation.gov.uk/ukpga/1996/56/section/444>

In cases of persistent absenteeism, the school reserves the right to ask the County Attendance Team to either issue a Penalty Notice Warning which could result in a fine or further legal action through the courts.

A pupil becomes a ‘persistent absence’ (PA) when they miss 10% or more schooling across the school year **for whatever reason**. Absence at this level is doing considerable damage to any child’s educational prospects and we need parents’ full support and co-operation to tackle this.

The school monitors absence thoroughly. Any case that is seen to have reached the PA mark **or** is at risk of moving towards that mark is given priority and parents will be informed of this.

A Penalty Notice is a fine that the County Attendance Team may decide to issue instead of taking legal action through the Magistrates’ Court System.

A Parent/Carer can be issued with a penalty notice if:

- They fail to ensure that their child attends school, or other education provision regularly, usually defined as six or more unauthorised absence sessions over a six week period;
- They allow their child to take leave of absence during term time without the school’s authorisation;
- They fail to return their child to school on the agreed date after a period of authorised leave of absence.

- If convicted of an offence a parent could face a penalty notice of up to £2,500 per parent and/or 3 months' imprisonment.

## **PROMOTING ATTENDANCE**

### **Attendance Targets**

The school will set attendance targets each year. A system for analysing performance towards the targets will be established. Our school's target for this academic year is: 96%.

### **A Welcome Back**

It is important that if arriving late to school or on return from an absence that all pupils are made to feel welcome. This should include ensuring that the pupil is helped to catch up on missed work and brought up to date on any information that has been passed to other pupils.

### **Promoting Attendance**

There will be a range of ways in which the school will promote attendance in a sensitive and inclusive manner. For example the school will use opportunities as they arise to remind parents/carers that it is their responsibility to ensure that their children receive their education.

### **Leave of Absence**

The Headteacher will not grant any leave of absence during term time unless there are exceptional circumstances. Parents/Carers should seek permission from the Headteacher prior to the leave of absence period in question. No authorisation will be given for holidays or term time trips to visit family and friends overseas.

### **Attendance Awards**

Attendance may be encouraged in a number of ways:

- Certificates for improvement in attendance, good attendance and excellence in attendance will be awarded.
- Parents will be sent attendance reports at the end of the school year.
