Dear Parents and Carers,

We hope this brief newsletter find you all well and safe.

We have been busily preparing for a potential, partial reopening to some year groups from Monday 1st June. If your child is in Nursery (Ducklings), Reception (Robins), Year 1 (Finches) or Year 6 (Kingfishers) we will have been in touch directly with you, and you will have been able to see detailed information sheets on this website since yesterday. These sheets give information on the safety and protective measures that will be in place if we get the governmental green light at the end of next week to reopen to these year groups after the half term break, as well as organisational information to help the return to be as well organised and smooth as possible for everyone as we all get used to different procedures and routines.

We would like to recommend to all our families that you do take next week off from home schooling and start again from 1st June. **There will be further home-schooling guidance, activities and ideas for Owls, Doves and Woodpeckers on the school website Home Learning section by next weekend.**

Families with children in Robins, Finches, and Kingfishers who choose not to send children back to school should continue with the daily maths and English (using BBC Bitesize daily, Oak Academy or Hamilton Trust), daily reading plus working your way through all the other learning activities and websites suggested by your teachers previously. These are all still available on the school website. If school is open again for these year groups there will not be further, new home learning posted online as all the staff will be in classes or teaching in the provision for key workers' children. All children, no matter what year group are still encouraged to share work and message their teachers using the email addresses given before. Here they are again:
