

Reading with your young child (three 2-hour sessions)

- Pre-reading skills and activities to get your child ready for reading
- Reading activities and games to play at home
- How children learn to read at school
- All about phonics teaching

Keeping up with the children in maths (five 2-hour sessions)

- To help parents to improve their own maths, particularly in relation to everyday life
- To share ideas about how we can use everyday maths at home to encourage our children's learning
- To find out about and practise what is taught in math lessons in Foundation Stage, Key Stage 1 and Key Stage 2

ESOL class (English for speakers of other languages) (up to eight 2-hour sessions)

- To help parents to improve their English, particularly to give more confidence in spoken English
- To give parents more confidence to support their children's learning
- To help parents to communicate with school by looking at school newsletters, school websites and by practising parent/teacher meetings

Inspiring Confidence (six 90-minute sessions)

- Overcoming low expectations and challenging negative thoughts
- Developing a positive attitude to learning in your child
- Encouraging a growth mindset in your child
- A positive approach to disciplining and supporting your child

INTERESTED?

The online sessions will be delivered via Microsoft Teams.
